Stepping Stones

*A 3-day introductory overnight
summer camp program for girls 6-8*

Program

Camp Mi-A-Kon-Da's **Stepping Stones program** provides young girls with the opportunity to participate in a 3 day overnight summer camp experience.

The ratio for Stepping Stones campers to staff is **2 to 1**. Every one of our counsellors have gained years of experience at Mi-A-Kon-Da as campers, counsellors in training and then as a staff member. A registered nurse is available on the island at all times during the Stepping Stones program.

The program is perfect for girls who are looking to take the first step in their overnight camping experience as well as for campers who are eager to make the transition to our summer programs.

Start the day off with some high energy camp songs!
