

Stepping Stones

PARENT HANDBOOK

2022

GREETINGS FROM OUR DIRECTORS

Mi-A-Kon-Da is proud of the camp experience that we provide to each and every one of our campers. We are happy to be able to provide a space where children from ages 6 - 16 can come and connect with one another, experience new adventures and spend their time outdoors all the while having fun and making memories.

More specifically, we are thrilled to offer Stepping Stones, a 3 day introductory program for young campers who are taking the terrific first step towards experiencing all of the benefits that an overnight camp has to offer.

This Stepping Stones Parent Handbook will outline all of the necessary and regular information parents and campers need, leading up to their Stepping Stones session.

The safety, health and wellbeing of all of our campers and staff will continue to remain our number one priority. We are looking forward to welcome everyone to camp this summer and provide a safe and welcoming space for children to explore the outdoors, try new adventures and connect with old and new friends.

See you in the summer!

PREPARING FOR CAMP: FORMS

The first step in preparing for your daughter's camp experience is completing **ALL** required forms! All of the forms can be found on your **CampBrain Account**.

- CAMPER FORM
- CAMPER MEDICAL FORM
- INVOICE (REVIEW TRANSPORTATION REQUESTS)

CAMPER FORM

- Camper Forms should be completed prior to May 1st. This form can be found on your [CampBrain account](#). This form is to be completed by you, the parent/guardian. It enables Pam (Director) & Sarah (Assistant Director) to learn more about your daughter prior to her arrival so that they have the information they need to provide the best, positive camper experience. If there is anything you'd like to discuss about your daughter that you feel is better done by phone, please don't hesitate to contact us. Email us at info@miakonda.com and we can set up a time to talk.
- This form is also used to track cabin requests - please complete this if you/your daughter have any requests. Cabin requests should be mutual between campers.

INVOICE

- You can access your invoice on your [CampBrain account](#) under the "account" tab in your Household. **All camp fees are due by May 1st, 2022.**
- Payments can be made either by cheque or by E-Transfer.
- On this invoice, please confirm your transportation selection that you made upon registering. If you need to change this selection, please notify us by email: info@miakonda.com and we will update your account.
- Please give 7 business days for any payments to be processed and updated on your account.
- International payments can be made by wire. Please contact the camp office for wire information.

MEDICAL FORM

- Medical forms should be submitted at **least 2 weeks prior** to the camper's arrival. This enables our nurse to prepare for a camper's health care needs and relay information to the counsellor and the kitchen staff as necessary.
- Please include as much detail and information as possible on your daughter's medical form. The form can be found on your [CampBrain account](#).
- Please advise us via email of any last minute changes in your daughter's health information not indicated on the Health Form.
- If your daughter is ill prior to camp, please ensure that she is back to her regular health before she comes to camp.

Your daughter's personal well-being, safety and care is a priority at camp.

- Our camp Registered Nurse is on site and available 24/7 for any camper & staff needs. Camp Mi-A-Kon-Da has on call Camp Doctors.
- We recommend that campers visit their dentist shortly before arriving at camp.

SUN SAFETY

- For protection from the sun's rays, we encourage campers to wear sunhats, sunglasses, sun-shirts over bathing suits and sunscreen with a rating of 30 SPF or higher.

Birch Island's remote location is unique to Mi-A-Kon-Da; we do not have regular access to electricity. The best and most effective ways to communicate with us can be found below.

COMMUNICATING WITH THE CAMP OFFICE

EMAIL: info@miakonda.com

- Email is the best way to connect with us throughout the summer; Pam & Sarah check their emails on a daily basis and will respond to messages as soon as they are able.
- Please keep in mind that they are not as immediately available as they are during the off season.

PHONE: 1-905-516-9382

- This is our summer phone number; if we are in the office, we will answer the phone. However, if you can't reach us immediately, **please leave a message** and we'll get back to you as soon as possible!
- Pam & Sarah are often out of the camp office, engaging with campers and staff and supervising the camp program
- We do not permit our campers to talk to parents over the phone.

COMMUNICATING WITH YOUR DAUGHTER

- Due to the nature of our Stepping Stones program and the shortened stay at camp, we do not encourage camper mail.
- Our program is busy and filled with a lot of activities, the campers are always moving.
- Campers may not call home during their stay at camp.
- We will be in touch with you if there is a need to be!

Can I send my daughter with snacks for camp?

- Please do not send food to camp with your daughter. We have a well balanced menu for the program and campers enjoy a child friendly meal, 3 times a day. We also have a fruit bowl available at all times and provide snacks throughout the day.
- Some campers have food allergies and food sent may cause a serious health risks.
- Food arriving at camp will be removed and disposed of.
- We are a nut free camp. PLEASE DO NOT send or bring anything to camp that contains nuts or nut products.

Will my daughter need cash?

- No, campers do not need cash at camp. Please keep cash and all other valuables at home.

Is Stepping Stones set up like a regular Mi-A-Kon-Da camp program?

- The day schedule follows closely to a regular day at camp but there will be additional activities each day so that the girls can experience the most of the activities Mi-A-Kon-Da offers.
- There are a few differences between the programs and those decisions are made with thoughtful consideration.

Who will be caring for my daughter while she is at camp?

- Your daughter will be in the reliable care of our experienced counsellor staff and alumni.
- The counsellor camper ratio is typically 1:2 and the counsellors stay with their assigned groups at all times.

Where will my daughter sleep when they are at camp?

- The girls will be staying in cabins during their stay at Mi-A-Kon-Da. Each camper has their own bed, and there are typically 4 - 8 beds in each cabin. During Stepping Stones, counsellors will be staying in the cabin with the campers.

HOMESICKNESS

Not all children will get homesick, however it is important to talk about the potential of missing home prior to your child's arrival at camp. Homesickness can happen at any age and especially with younger children, they may not be familiar with the feeling so it's important to prepare them. Here are some tips:

1. REASSURANCE

Camp is a safe place, you as a family have selected this summer adventure for your child. Together, you have intentionally chosen this exciting, new adventure which means that you trust that this is a good choice. Prior to camp, talk about what your daughter's time away is going to look like and reassure her that this is a positive choice with affirmations such as:

- **"I can't wait to hear all about your time at camp, I wish I was a kid again and could do what you're doing!"**
- **"If I was going to camp, I think my favourite activity would be canoeing! What activity are you most looking forward to trying?"**

2. VALIDATION

The icky feeling that starts in our stomach when you're thinking about home and everything you miss. That feeling is totally normal and kids need to know that if or when that feeling starts, they have the skills and courage to address it and overcome it. Validate the fact that if she starts missing home, this is okay.

- **"You're going to have so much fun during your Stepping Stones adventure! There may be some moments when you miss home and you know what? That is okay! It is natural and normal to feel like this."**
- **If you start missing home when you're at camp, what's a good way to handle that? Who can you talk to? What can you do?"**

As a parent, it is important that you do not tell your child that you will come and pick them up if they are feeling sad and are missing home. This does not set your child up for success as she will believe that she can go home as soon as she starts thinking of or missing home. It is important to build a foundation for success.

**SEE YOU
THIS
SUMMER!**

We are looking forward to welcoming your daughter(s) to Camp Mi-A-Kon-Da this summer. We know that now, more than ever, a space like camp is exactly where children want to be. The space to explore, gain independence and build their self esteem. A place where they can connect with friends and counsellors, a space where they can be themselves.

The safety and health of our campers and staff remains our highest priority and we look forward to answer any questions you may have about our 2021 summer season.
