

CAMP REGISTERED NURSE - JOB DESCRIPTION

Mi-A-Kon-Da is currently hiring for a short term contract to fill the position of Camp Nurse. The Camp Nurse or “Patch” is responsible for providing high quality nursing care to campers and staff. She looks out for the well-being of everyone at camp and is comfortable in promoting and maintaining everyone's health. The Camp Nurse must enjoy working with children and maintain appropriate health records during treatment.

Dates:

Session 5: July 30 – August 12, 2023

Minimum Requirements

- Current RN registration in Ontario with professional insurance coverage (e.g. RNAO)
- Current CPR certificate
- Strong assessment skills
- Strong first aid skills
- Enjoys working with children

Job Duties

- Provide high quality nursing care to campers and staff while promoting and maintaining health, safety and well-being through care, teaching and consultation.
- Complete all staff training requirements (e.g. waterfront safety drills)
- Maintain good health and take the appropriate time for self-care during the summer
- Observe for any potential health and safety risks and discuss with Director
- Review and maintain all camper and staff health records and documentation
- Provide feedback to Director and staff regarding relative information from Health Forms at beginning of each 2-week session
- Check all campers on arrival for general health, medications, head lice and receive health form
- Keep all staff and camper medications locked in a cupboard
- The nurse reports daily to the Director the general health of campers and staff and discusses any problems and or health concerns as needed
- On call for any emergencies
- Complete incident report for significant incidents including writing parents re: serious accident, hospitalization, prolonged stay in health centre, follow up treatment after camp, any camper that has been seen by a physician and treatment
- Keep ongoing shopping list of required supplies
- Prepare supplies for campers with motion sickness for departure day
- Restock first aid kits as required
- Check campers before leaving and on return from a canoe trip
- Review with staff on trip camper medications, how to administer, properly labelled and documentation process
- Ensure that all medications are returned to the Health Centre after canoe trip

About Mi-A-Kon-Da

Founded in 1955, Camp Mi-A-Kon-Da is a traditional summer camp for girls ages 7-16. The camp is situated on Birch Island, a 23-acre private island on Lake Wah Wash Kesh near Parry Sound, Ontario.
